

Central Valley Chapter

- DATE:** Thursday, May 18, 2017
- TIME:** 6:00 pm - 8:00 pm
- LOCATION:** Kaiser Modesto
4601 Dale Road
Modesto, CA 95356
- MEETING ROOM:** Construction Trailers Conference Room #1
- PARKING:** Park anywhere in the lot for the construction trailers.
- PRESENTER:** Chris Long
Vice President
Aqua Treat Solutions
- TOPIC:** **ASHRAE-188: Myth vs. Reality**
This educational presentation will serve as an introduction to the ASHRAE Standard 188, "Legionellosis Risk Management for Building Water Systems". Topics discussed will include: basics of legionella bacteria; what the ASHRAE standard says and what it doesn't; as well as what's involved in implementing a Water Management Plan.
- SPONSOR:** Aqua Treat
- RSVP:** Beth Demeter at demeterb@calhospital.org, or online at <https://gmod-connect.aptean.com/f/fid.php?id=c64f1be799e5b40a7baaof1f795c9af9>
- QUESTIONS:** If you have any questions or concerns, please contact Joyce Jones at the CSHE State Office: jjones@calhospital.org.
