

Northeastern Chapter

- Date:** Wednesday, July 11, 2018
- Time:** 5:30 pm - 7:30 pm
- Location:** **Methodist Hospital of Sacramento**
Bruceville Terrace Skilled Nursing Facility
Multipurpose Room
8151 Bruceville Road
Sacramento, CA
- Parking & Directions:** Please see attached map for directions and parking information.
- Speaker:** Marie Brougham
SMUD
- Topic:** **How Healthcare Engineers Can Prepare for Extreme Heat**
Heat is projected to have a major impact on the economy and public health in the Capital Region. This session will focus on extreme heat: why it is already a problem today, how much more heat is projected in the region, what is unique about the “urban heat island” here, and what the Capital Region Climate Readiness Collaborative and its members and partners are doing to address it and how healthcare engineers can prepare.
- RSVP:** April Nelson at anelson@calhospital.org, or online at <https://gmod-connect.aptean.com/f/ffd.php?id=5c5f4fe268b962891420ea28f4095c80>
- CEU:** Participating CSHE members, may request a certificate for 1 contact hour. Requests for certificates must be made at the time of your RSVP.
- Questions:** If you have any questions or concerns, please contact Joyce Jones at the CSHE State Office: jjones@calhospital.org.
