

Cottage Health ~ Santa Barbara

Director – Facilities Management

The Director of Facilities Management provides strategic leadership and oversight for clinical engineering, plant maintenance and plant operations at GVCH, SBCH and SYVCH. The incumbent is responsible for planning, organizing, directing, and controlling renovation and remodeling, plant operations and maintenance of facilities, as well as equipment required for hospital operation. Assumes fiscal responsibility through preparation of departmental operating and capital equipment budgets, including recommendations for improved efficiency and cost savings. Coordinates internal and external resources while interfacing with regulatory agencies. Serves as a liaison with all Cottage Health personnel and promotes the maximum growth and development of employees. Participates in, both, short term and long term strategic planning and assures patient advocacy. Directs staff in meeting customer's needs consistent with Cottage Health's philosophy, mission, vision and strategic plans.

Five years of management experience in a healthcare setting, regulatory responsibility with EOC and Life Safety, three to five years' experience in Facilities Management.

Preferred: Bachelors of Science in Civil, Industrial, Electrical or Mechanical Engineering or other related field, Master's degree a plus.

Member of ASHE and CSHE. Must maintain membership or be willing to obtain membership.

Working knowledge of The Joint Commission standards, California Code of Regulations Title 24, Title 22, NFPA and Life Safety Codes.

About Cottage Health

For over 125 years, our not-for-profit health system has been providing advanced medical care for patients throughout California. Today, our nationally recognized services provide families with the patient-centered care they deserve. At Cottage Health, we rely on the contributions, creativity and skills of our remarkable staff. That's why we offer competitive compensation and benefits that include above-market salaries, premium medical coverage, new-hire bonuses, pension plans, tax savings accounts, rental and mortgage assistance and relocation packages.

About Our Location

Nestled between the ocean and the mountains, Santa Barbara, California offers breathtaking vistas, beautiful flowers, an abundance of Spanish Colonial architecture and a mild climate. Once you come home to Santa Barbara, it is hard to imagine living anywhere else.
