Position Summary:

This position is responsible for leading the operations of all engineering, maintenance, facilities and internal construction services across the Puget Sound Region. Responsibilities include financial performance and reporting, human resource management, safety, quality and planning for multiple hospitals and approximately 150 clinic locations. This is the top level facilities position in MultiCare Health System. This position is responsible for the direction of high quality and cost-effective maintenance and engineering services to MHS. Work situations are varied and require a high level of managerial leadership, analysis, independent decision-making, discretion, good judgment and organization. Internal contacts are at all levels and require establishing rapport and developing strong working relationships. External contacts include outside organizations, vendors, contractors, governmental and regulatory agencies and consultants.

Minimum Requirements & Education/Licenses/Certifications:

- Eight years of technical experience working in any combination of regulatory compliance, contract administration, routine capital construction and/or engineering for various equipment systems found in a hospital setting
- Prior engineering and leadership experience in an integrated healthcare system
- Five years of management or supervisory experience with budget responsibility
- Bachelor's degree in engineering, construction management, architecture or related field required
- MBA, MHA or other related degree preferred

About MultiCare:

MultiCare Health System is a not-for-profit health care organization committed to our mission of “partnering for healing and a healthy future”. Our 18,000 team members (employees, providers and volunteers) are united by MultiCare’s values of respect, integrity, stewardship, excellence, collaboration and kindness.

Our roots date back more than a century to the founding of Tacoma’s first hospital. Since then, we’ve grown to become Washington State’s largest community-based, locally governed health care system with numerous primary care, urgent care and specialty services — including Immediate Clinic, MultiCare Indigo Urgent Care, Pulse Heart Institute and MultiCare Rockwood Clinic. Our system of care also includes eight hospitals: Allenmore Hospital (Tacoma), Auburn Medical Center (Auburn), Covington Medical Center (Covington), Deaconess Hospital (Spokane), Good Samaritan Hospital (Puyallup), Mary Bridge Children’s Hospital (Tacoma), Tacoma General Hospital (Tacoma), and Valley Hospital (Spokane).

MultiCare is also proud of our commitment to workforce diversity and culturally competent care. This commitment is led by our CEO and supported through employee education and community outreach.

MultiCare is an equal opportunity employer. Hiring decisions are made without regard to race, color, religion, national origin, sexual orientation, gender identity, disability or veteran status. EOE/AA/M/F/D/V
