

## **MANAGER, FACILITIES, SAFETY & SECURITY**

### **Shriners Hospitals for Children Northern California**

Shriners Hospitals for Children Northern California, the premier pediatric burn, orthopaedic, spinal cord injury and pediatric subspecialties medical center is looking for a highly motivated individual with previous supervisory experience to fill this leadership role in Facilities, Safety & Security.

The successful candidate will plan, direct and manage the day-to-day activities of the Engineering, Security/Reception and Safety department, and assure compliance with pertinent federal, state and local laws, regulations and codes related to Facilities Management, Safety and Security.

Requires the ability to provide effective leadership, supervision, staff development/counseling and departmental fiscal controls; excellent communication skills, both written and verbal; and knowledge of all mechanical, electrical, plumbing and hydraulic systems.

The ideal candidate will have a minimum of 10 years of related experience with at least 5 years in a management role. Previous Hospital Facilities Management and Engineering experience preferred.

SHCNC offers a competitive salary and benefit package, including continuing education and professional development opportunities. Other considerations include free parking, team approached interdisciplinary care, friendly environment and the satisfaction that our patients are receiving the best care available at no cost to them.

Submit resume to Human Resources, 2425 Stockton Blvd, Sacramento, CA 95817, fax to 916-453-2388, or email [ncal.jobs@shrinenet.org](mailto:ncal.jobs@shrinenet.org). To learn more about our hospital, visit our website at <http://www.shrinerschildrens.org>. EOE/Drug Free Workplace
