

Los Angeles Chapter

DATE: Wednesday, February 22, 2017

TIME: 5:30 pm - 7:30 pm

LOCATION: Kaiser Permanente
1515 N. Vermont Avenue
Los Angeles, CA 90027

MEETING ROOM: Conference Rooms 6 & 7

PRESENTER: Santiago Chambers
Director of Environmental Health and Safety
Kaiser Permanente

TOPIC: **HAZCOM/GHS RIGHT TO KNOW**
OSHA's standards require industries to train and educate their employees of Hazardous Communications and the Globally Harmonized System when working with materials, substances and chemicals that can present hazards in the workplace. This education session will cover the Globally Harmonized System (GHS), Safety Data Sheets (SDS), Standardized GHS Pictograms, and Emergency Procedures. Attendees will have a better understanding of the labeling and hazard communication requirements revised under the Hazard Communication Standard (HCS).

RSVP: Maria Markoudakis at maria@preceptenvironmental.com,
Beth Demeter at demeterb@calhospital.org, or online at
