### Presentation Topic:

THE BEST ENERGY IS THE ENERGY SAVED - Cutting energy consumption globally is one of the keys to tackle the world's climate challenges. Energy consumption can be reduced significantly by using already available technology and solutions. We will talk about the various pumping technologies available today to support this and how we can help put our expertise to use to reach the full potential of energy efficiency.

We will also introduce a tool for quick, easy and affordable way to get Predictive Maintenance into your overall maintenance program at scale for your pumps and pumping systems.

### Presenters:

Sherezad Shafiq, Director – Service & Aftermarket Sales – Grundfos USA

Michael Madsen, District Sales Manager – Grundfos
